- **Drysuit/Cold Water Diving/Teaching Experience an asset**

Benefits of working for Ocean Quest

- **Opportunities to actively teach and build the local diving community:** We actively teach all levels of diving from Open Water to Professional levels as well as an array of meaningful specialty courses. We will ensure you get a variety of experience and grow as an instructor.
- **Opportunities to learn a new and unique approach to teaching divers:** Ocean Quest has developed a unique systematic approach to teaching divers at all levels. All of our staff and instructors appreciate the experience and fulfillment of our teaching approach.
- **Opportunities for continuing education and diving experience:** We offer our in-store staff opportunities to continue their education with equipment service training, technical diver training, and professional level training. In most cases, all or most of the costs are covered by Ocean Quest.
- **Opportunities to experience incredible diving:** Vancouver and British Columbia has some truly incredible diving! If you have not dived in our local area, the diving here will blow your mind!
- **Competitive salary:** We will offer a competitive salary based on your experience and commitment to Ocean Quest. We will ensure there are opportunities for financial growth based on your performance.
- **Signing bonus!**

All applicants must be able to work legally in Canada (we may require copies of Passport and Canadian Social Insurance Number). We cannot provide any sponsorship for hopeful international employees.

Note that you will need a vehicle to live and work as a diving instructor in Vancouver.

Please apply if you feel you are a good candidate for this position. We will provide on the job training to add to your skills. Our busy dive centre has many opportunities if the right person comes along. Forward your resume and current picture to Deirdre and Greg McCracken at employment@diveoceanquest.com.
